

Personal Care Assistant Insurance

Keyfacts Document

Introduction

Our Personal Care Assistant Insurance policy is specifically designed for personal care assistants who provide help and support to individuals at their homes to assist them to enjoy an independent lifestyle. As well as providing comprehensive public liability insurance for claims made against you by your service user or any other third party, we have added a number of additional benefits that are highly desirable to protect your position arising from the performance of your occupation.

The policy allows you to carry out the following broad range of activities.

- 1) Personal care, including preparing, serving and feeding food or drink, bathing, dressing, moving, handling, the administration of medicines and first aid.
- 2) General domestic duties, including shopping, basic maintenance and gardening tasks.
- 3) Looking after the service user's domestic pets or children, (or other children for whom the service user is responsible) provided that these tasks form only a minor part of the overall work carried out for that service user.
- 4) Accompanying your service user on social, domestic or pleasure trips.

It is a policy condition in respect of any tasks or procedures you carry out on the person you are caring for (including but not restricted to moving and handling and the administration of medicines) that you have received the appropriate training or obtained the relevant qualification and can provide documentation to support this on request. No cover will be provided for functions for which you have received no such training or hold relevant qualification. Also, the policy will not cover any activity you undertake in circumstances which you know to be contrary to risk assessment guidelines.

This insurance is not available to individuals solely providing qualified nursing care or child care/minding services.

This document includes a summary of the insurance provided by our Personal Care Assistant insurance policy. For precise details of cover, including the conditions and exclusions that apply, the policy document should be referred to. A copy will be supplied upon request.
