OUR PLEDGE TO YOU	Page 1
<p>It is our aim to give a high standard of service and to meet any claims covered by these policies honestly, fairly and promptly. We occasionally get complaints and these are usually through a misunderstanding or insufficient information. Any complaint will be investigated at once and the matter resolved as quickly as possible, please see the last page of the policy for information on our complaints procedure.</p>	
POLICY INFORMATION	
<p>Your insurance is covered under two master policy numbers, RTZAN40069 A your pre-travel policy and RTZAN40069 B your travel policy, specially arranged by goodtogoinsurance.com on behalf of Travel Insurance Facilities, insured by the United Kingdom and Republic of Ireland Branch Office of Union Reiseversicherung AG. Cover is provided for each traveller who is shown as having paid the insurance premiums and whose name appears on the insurance validation documentation. In the event that you have paid for a trip on behalf of other individuals not insured on this policy please be advised that your policy only provides cover for your proportion of trip costs, as opposed to the amount you have paid on behalf of others. If the Schedule of Cover and limits show NIL/No cover then that section of the policy is not applicable to the insurance cover you have purchased. We have a cancellation and refund policy, which you will find in full on page 4. Please be aware no full refund of the insurance premium will be given after the policies have been issued if you have travelled on, claimed or intend to claim against the policy.</p>

This applies both when you take the policy out and at any time during the policy period. If you do not do so, we reserve the right to void your policy from inception and refuse all claims made against it. IN CASE OF A SERIOUS EMERGENCY

please contact the 24-hour emergency assistance service provided by Emergency Assistance Facilities
+44 (0) 203 829 3816

Your policy covers treatment at a public/state facility only, unless approved by us. Call an ambulance using the local equivalent of a 999 number, or alternatively by dialling 112 within the EU, and then contact Emergency Assistance Facilities for advice. We strongly suggest you put their telephone number, **+44 (0) 203 829 3816**, into your mobile phone before you travel so that it is to hand if you need it. Get details of the hospital you are being taken to so that our Emergency Assistance Facilities doctor will be able to obtain a medical report at the earliest possible opportunity. You may need to pay the policy excess locally and ask the hospital to send the rest of their bills to Travel Claims Facilities at: PO Box 395, Hertford SG13 9JW. Our appointed assistance service, Emergency Assistance Facilities, will explain this to them and provide them with a faxed/email confirmation if necessary.

You will need to have some basic information for them to hand:

- your telephone number in case you are cut off.
- patient's name, age and as much information about the medical situation as possible.
- name of the hospital, ward, treating doctor and telephone numbers if you have them.
- tell them that you have **Goodtogoinsurance.com** Travel Insurance, policy number and the date it was bought
- the patient's UK GP contact details in case they need further medical information.

Things to be aware of/remember

- Your policy does not cover any costs for private medical treatment unless authorised by us.
- **NEVER** give your passport to a clinic or hospital.
- It is not always possible to return home immediately after discharge following injury or illness. You will be able to return home when the assistance service considers it safe, in conjunction with your doctor, and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.
- You may be required to obtain your medical records in the event of a claim.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices - if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe, you should show them your EHIC card as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by Emergency Assistance Facilities. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact Emergency Assistance Facilities on **+44 (0) 203 829 3816** for advice first. If you need to come home for any other reason, such as the illness of a close relative in the United Kingdom, Channel Islands or BFPO then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured. If you are not sure whether your circumstances are included in the cover then call Travel Claims Facilities on **+44 (0) 203 829 3815**.

This policy is primarily designed for travellers with existing medical conditions and anyone who is insured under this policy. For the purposes of this insurance, **you** are considered to have an existing medical condition if you answer "Yes" to any part of the following question, which you were asked when you applied for insurance with us:

Have you, or are you, or anyone in your party;

- taken any prescribed medication, or received any medical treatment in the last 2 years;
- attended a **medical practitioners surgery**, or hospital or clinic (out-patient or in-patient) in the last two years;
- awaiting medical treatment or investigation;
- been diagnosed by a medical practitioner as suffering from a terminal illness.

NOTE: All existing medical conditions must be disclosed as well as any previous medical conditions which could have an impact on **your** current health

PLEASE NOTE:

- You must be fit to undertake your planned trip;
- You must not travel against medical advice or with the intention of obtaining medical treatment or consultation abroad;
- We will cover you for existing medical conditions you have declared to us and which we have accepted in writing. These medical conditions are set out in the "Medical Declaration";
- You must declare all existing medical conditions as well as any previous medical conditions which could have an impact on your current health. If you declare some existing conditions and not others your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- Should you decide not to pay the additional premium for an existing medical condition your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- We will not cover you if your state of health was worse than **you** declared to us at the time you purchased this policy;
- Please check that the information set out in the "Medical Declaration" is correct. If not, you must call us on **0800 298 1112** to tell us. If the information is incorrect your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- Your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid if a claim is made relating to a medical condition, illness or injury of the Insured Person(s), or any person who your travel depends on, which you or they knew about before you bought this insurance, or which develops before your outward journey where we have not been notified.
- We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

NON-TRAVELLING RELATIVES

If you have a non-travelling close relative with an existing medical condition who dies or falls seriously ill, and as a result you wish to cancel or curtail your trip, you will be covered only if the relative's Medical Practitioner states that at the time insurance was taken out, **or the trip was booked, whichever is the latter**, he/she would not have foreseen such a serious deterioration in his or her patient's condition.

WAITING LIST

If you are currently on a waiting list for treatment or investigation, our policy will not provide cover for Cancellation or Curtailment under the following circumstances: -

- You receive an appointment for treatment or investigation which conflicts with your planned trip, or
- As a result of the awaited treatment or investigation you become unable to travel on your planned trip.
- Being on a waiting list for treatment or investigation does not affect cover whilst you are away for medical conditions which have been declared to, and agreed by us. Should you become aware of a change in your diagnosis before you travel, please notify us immediately. If you are awaiting an initial diagnosis for symptoms you are currently experiencing, we are unable to confirm cover until you have a confirmed diagnosis.

CHANGE IN CIRCUMSTANCES

If you suffer an injury, illness or change in your current existing medical condition(s), including any changes to medication, after taking out this insurance but before starting your trip (this is known as a change in circumstance) you will only be covered by Section A, cancellation cover of this policy. Any change in circumstances must be notified to us and accepted in writing. **TO DECLARE A CHANGE IN YOUR CIRCUMSTANCES, YOU MUST CONTACT US DURING OFFICE HOURS ON 0800 298 1112 TO SEE IF WE CAN PROVIDE COVER FOR YOUR TRIP. WE** may in the light of such changed circumstances not be able to continue cover under sections A and B of this insurance. If this is not acceptable to you, we will cover you for any loss of deposit or cancellation charges you have necessarily incurred up to the date of the change of circumstances that are normally covered under Section A of this insurance. In these circumstances, no policy excess will be applied.

YOUR POLICY WORDINGS	Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered); if your circumstances do not fit those specified then there is no cover in place.
PERIOD OF INSURANCE	The period of insurance for all sections except the cancellation section commences when you leave home in the UK, Channel Islands or BFPO to start your trip and ends when you have returned to your home in the UK, Channel Islands or BFPO as shown on the Schedule of cover and limits. The period of insurance under the cancellation section for Single Trip insurance commences when the premium has been paid and ends when you depart the UK, Channel Islands or BFPO on your outward journey. For Annual Multi Trip insurance, the cancellation section commences from the start date of the policy or the date your trip is booked, whichever is the latter. If you have chosen an Annual Multi Trip Insurance, the outward journey from, and return journey to, your home in the UK, Channel Islands or BFPO must be pre-booked prior to the outward journey and take place during the start and end date of the insurance as shown on the Schedule of cover and limits. The total duration of any one trip is limited to a maximum of 31 days and any trip exceeding this duration will not be covered in whole or in part (unless the appropriate premium has been paid to increase the duration and this is confirmed in writing).
EXTENSION COVER	<p>If in the event of either your:</p> <ul style="list-style-type: none"> • death, injury or illness during your trip, • delay or failure of public transport services during your trip, • delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point: <p>you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip. If you request an extension of the period of insurance (for any reason not listed above), after the commencement of travel you must contact us and advise us of any circumstances which at the time of such request could reasonably be expected to cause a claim under this policy and your policy must not have expired.</p>
CANCELLING YOUR POLICIES	<p>You have a 'cooling off' period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can advise Goodtogo Insurance within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14 day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, in addition to a £10 administration charge; the following cancellation terms will be applied dependant on what type of policy you have purchased.</p> <p>Single Trip policies - In the event you have not travelled and are not claiming on the policy, a refund of 70% of the policy premium and any additional premium applied (on a pro-rata basis). If you have travelled or are intending to claim, or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium.</p> <p>Annual Multi Trip policies - Provided you have not made a claim (irrespective of whether your claim was successful or not) on the policy and you confirm in writing that there is no claim pending, should you chose to cancel and understand that all benefits of the policy will be cancelled, we will refund the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to, or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. We reserve the right to give 7 days' notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents.</p>
BE CAUTIOUS	This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.
PREGNANCY	Travelling When Pregnant - Pregnancy is not a medical condition, so you are able to travel until you are quite late into your pregnancy. Our policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive for a single pregnancy, 0 to week 24 inclusive for a multiple pregnancy whilst you are away. From the start of week 29 to week 40 for a single pregnancy, or 25-40 for a multiple pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country. Please make sure your Medical Practitioner and Midwife are aware of your travel plans, and that there are no known complications and you are fit to undertake the planned trip.
MEDICAL COVER	Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition and have it accepted by Goodtogo for it to be eligible for cover under your policy. You may be required to obtain your medical records in the event of a claim. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor.
EHIC	The European Health Insurance Card (EHIC) allows you (provided you are a UK, Channel Islands or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and the Channel Islands and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx
MEDICARE	If you are travelling to Australia you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.
EXCESS	Your policy carries an excess and this is the amount you have to contribute towards each claim. All excesses shown for this policy are payable by <u>each</u> insured-person, per section and for each incident giving rise to a separate claim.
CONDITIONS OF THE INSURANCE	<p>The terms of any insurance that we arrange on your behalf will be based upon the information provided by you to us.</p> <p>You must take reasonable care to answer all questions put to you about your proposed insurance fully, honestly and to the best of your knowledge. If you don't understand the meaning of any question, or do not know the answer it is vital that you tell us. Once cover has been arranged, you must contact us immediately to notify us of any changes to the information that has been previously provided to us.</p> <p>The most serious consequence of failing to provide full and accurate information before you take out insurance or when your circumstances change, could be the invalidation of your cover and in that instance it would mean that a claim will be rejected.</p>
